OUR COORDINATES:

You will find us very close to the Padang Padang Beach.

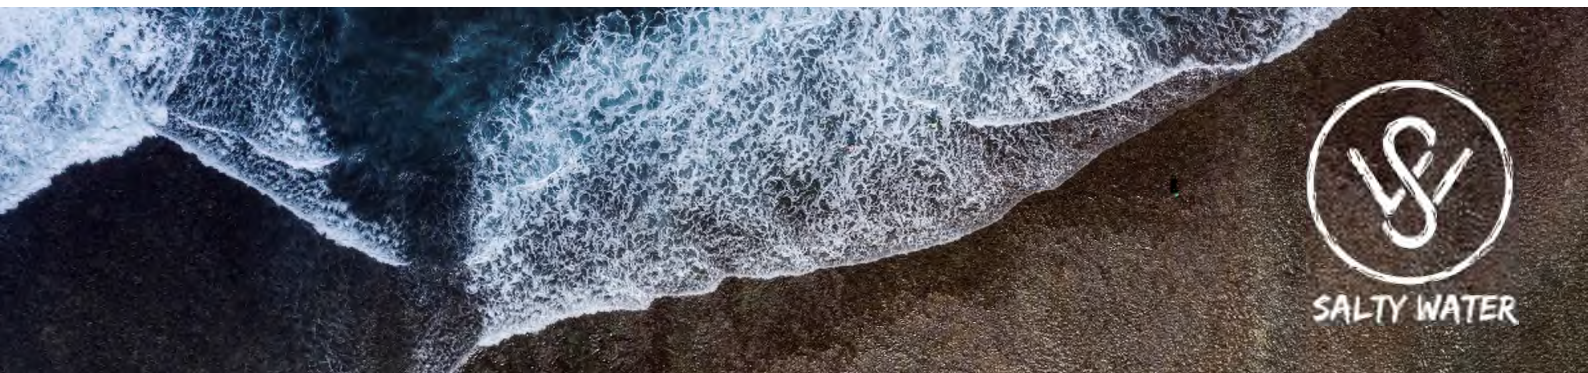

Before you go down the stairs to the beach, you will find the big parking lot for scooters and cars on a small hill across the street.

First you pass parking lot for scooters, then the parking lot for cars.

The parking lot ends with several small shops and restaurants (warungs) and here you will also find us.

We are the second last shop from the right, you can't miss us and we are easily identified as Salty Water Surf School ;-)

Come stop by! We look forward to meeting you!

SAFETY NOTE

Safety is our number one priority!
