ANY DOUBT, PLEASE CONTACT US!

OUR COORDINATES:

You will find us very close to the Padang Padang Beach.

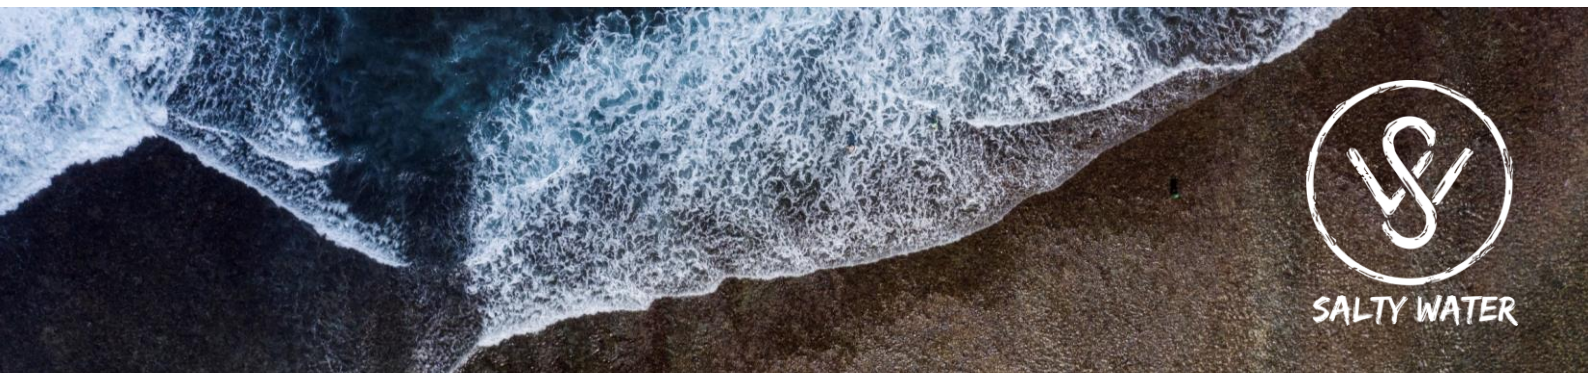

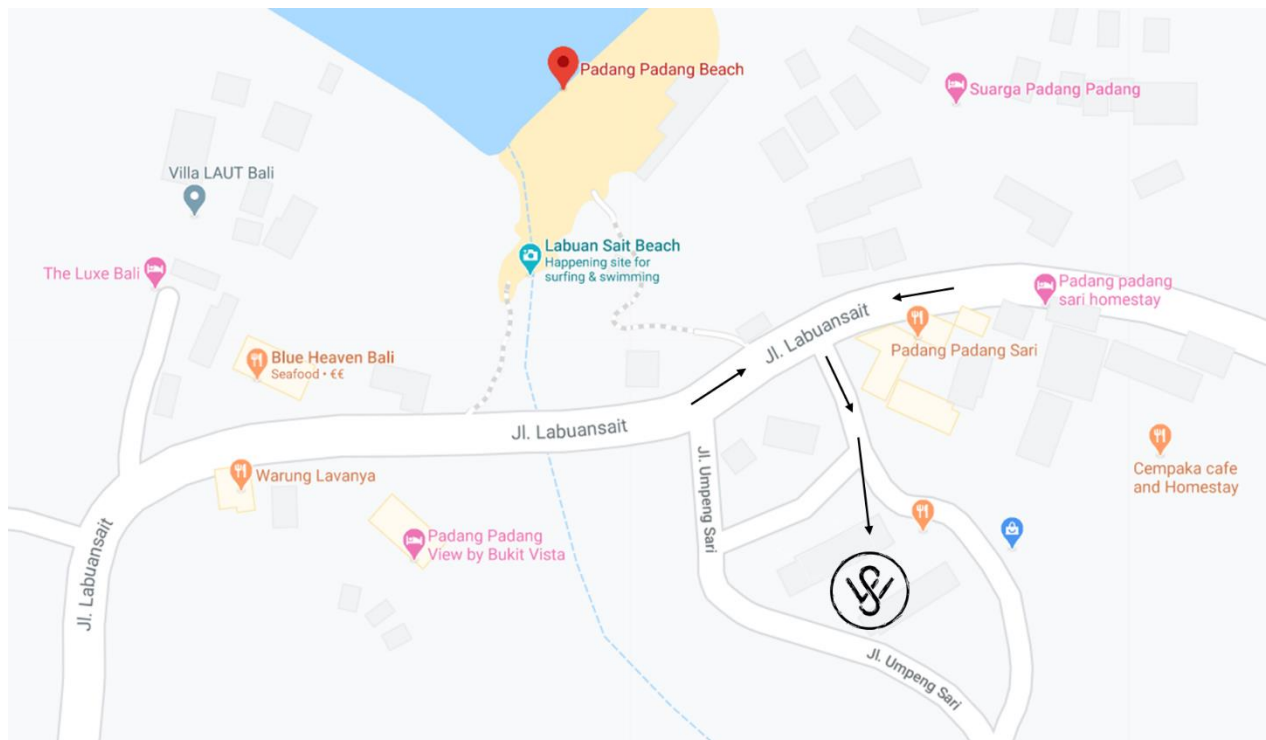

Before you go down the stairs to the beach, you will find the big parking lot for scooters and cars on a small hill across the street.

First you pass parking lot for scooters, then the parking lot for cars.

The parking lot ends with several small shops and restaurants (warungs) and here you will also find us.

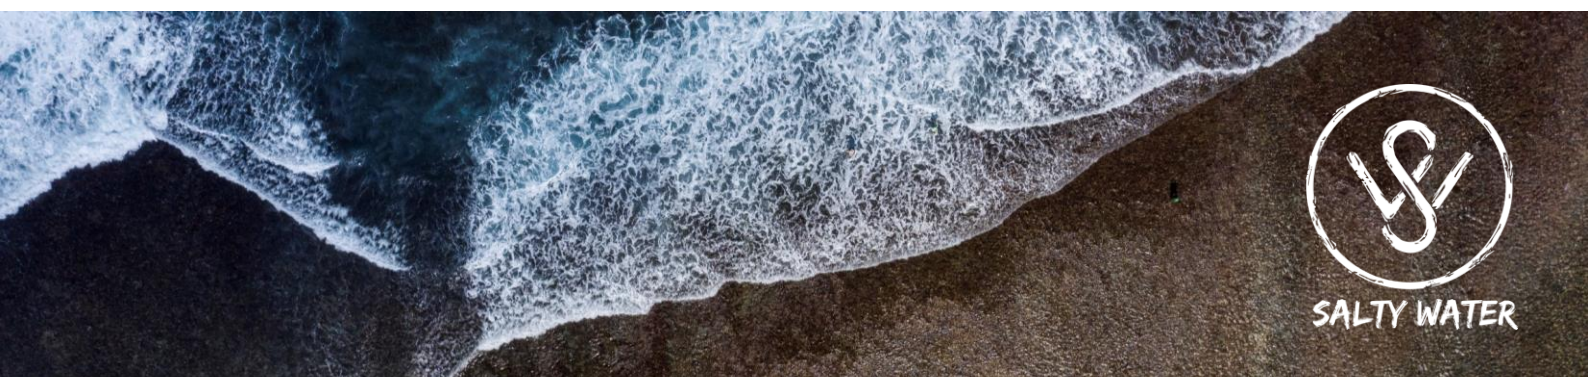

We are the second last shop from the right, you can't miss us, and we are easily identified as Salty Water Surf School ;-)

Come stop by! We look forward to meeting you!

When you drive to the parking lot, you'll see our banner.
Keep driving to the right, and you'll find our shop.

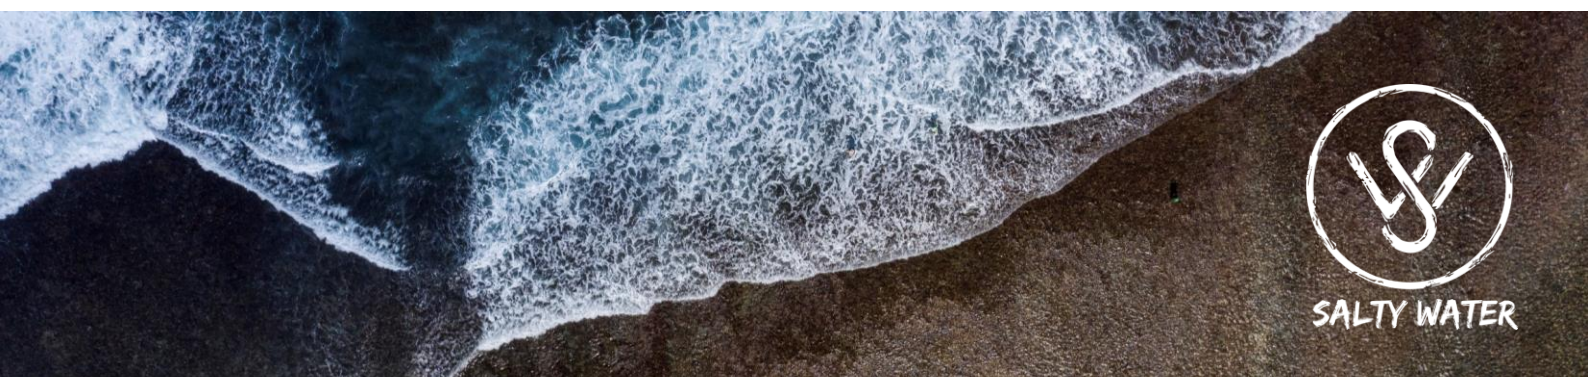

CANCELLATION POLICY

We understand that everyone gets sick sometimes – that's why we don't charge the full price, but only a **cancellation fee of 200.000 IDR if a booking is canceled less than 12 hours before the lesson starts.**

This fee serves as compensation for our freelance Salty Water Surf Instructors, whom we book individually for each lesson. Without this policy, they would show up without receiving any payment.

The cancellation fee can be paid in cash on-site (by arrangement) or online via our website: **www.surf-saltywater.com → Booking → Book Now → Our Surf Lessons → Cancellation Fee.**

Failure to pay the cancellation fee will result in bad karma.
Thanks for your understanding and your fairness

SAFETY NOTE

Safety is our number one priority!

Our lessons can only be held when weather and wave conditions are suitable and safe.

All our instructors have many years of experience with a comprehensive knowledge of wave and weather conditions, the best beach spots and how to surf safely.

Our instructors always have your safety in mind.

However, although surfing is a fun sport it can become dangerous because of weather and wave conditions and these can change unexpectedly. Therefore, you will need to sign an agreement that you do not hold Salty Water Surf School responsible for any kind of injury or damage that occurs due to unforeseen changes in weather or wave conditions and that the school cannot be sued as a result of these.

**KEEP SURFING.
